Selectmen's Report

The Board of Selectmen submit the following report with the hope that the comments and suggestions may be of help to the taxpayers.

TOWN OFFICERS EXPENSES

The cost of the items included under the heading of Town Officers Expenses continues to increase. The cost of our Annual Town Reports is one of the more expensive items. It is the suggestion of the Board of Selectmen that the property inventory be printed every 5 years, instead of annually. It is the opinion of the Board that the listing of the property tranfers and subdivisions is of more importance and should be a continuing practice. The expense of auditing the several town account also shows a substantial increase during the past few years. Postage, recording fees and printing notices are other items over which there is little control. Starting this year the amount of the tax paid by a property owner has been eliminated to conform with recent legislation which forbids the publication of the names of those receiving the elderly exemption.

ROADS

The cost of labor, materials, repair parts, and supplies for the Highway Department continue to rise while the requests for service continue to increase.

The TRA funds allocated for the Upper Troy Road were not enough to complete the first section as laid out. Approximately $10,000. of the Town's Highway subsidy fund was transferred to this project. Most of this money was used to install underground a drain on the west side of the road starting at the culvert near the Inn, northerly to Robbins Road. The cost for underdrain pipe, culverts, inlets and gratings was about $4,000. 2,715 yards of sand was used for subbase and mix for the surface.

An article has been placed in the warrant for the consideration of the voters to appoint a study committee at this meeting to study the needs of the Highway Department for more adequate facilities. The new Federal Occupational Safety and Health Act as applied to a municipality require that more attention be given to the working conditions of the town's employees. Such a committee should include a member of the budget committee to ensure that it's reccommendations are in line with the financial capabilities of the town.

TOWN DUMP

The current Regional Solid Waste Management Study prepared for the Southwestern New Hampshire Regional Planning Commission underscores the comments and recommendations made by the Selectmen in its annual report. On several occasions the Board has mentioned that specifically the location of the dump must be changed, the time the dump is open must be restricted and that persons bringing material to the dump must be responsible for separating the material into at least four categories. Little progress can be made to improve the disposal of our refuse until there is a commitment on the part of ALL our citizens to sort the glass, paper and heavy

metal from the rocks, stumps and brush that is now being hauled to the site. April 15, 1975 is a deadline which the Town should set for itself and be prepared to accept this date as the time for the closing of the present location.

LEGISLATION

The 1973 legislature passed two laws of special interest to landowners, the Homeowners Property Exemption Act and the Open Space Law. The Homeowners Exemption Law requires adoption by a town. The Selectmen did not include an article for this is the 1974 warrant because there is some question as to the constitutionality of the measure. This new law repeals the elderly exemption law now on the books and it does appear that some who qualify under the present law might have to pay a higher tax under the Homeowners Property Exemption Act.

The new Open Space Law has a broader scope than the existing law. Under this law a landowner must make an application, on or before, April 15 each year, on an approved form, to have his land considered as Open Space by the Selectmen. The Board of Selectmen, as assessing officials, must notify the applicant of their decision whether the lands qualify or not before July 1. Notice of all lands qualified as Open Space must be recorded, within 14 days of classification, with the Register of Deeds, If the use of the land is changed, it is subject to a 10% land use tax. If a landowner fails to apply for Open Space classification each year then the land will, under the law, be assessed at its full value for that year.

Under another section of the Law, a landowner may apply to the Planning Board for a permit to convey a discretionary easement to the Town. Any easement acquired by the Town shall be for 10 years. This period can only be changed by the demonstration of extreme personal hardship on the part of the landowner. It is expected that the necessary application forms for Open Space will be available early in March.

PLANNING AND ZONING

The Planning Board and the Zoning Study Committee are to be commended for the time and effort spent in trying to keep up with the developments within the Town. As will be noted elsewhere in the report, there were nearly 100 property transfers during the past year. Also 65 lots were set up as a result of subdivisions. This latter activity points up the urgency of having a more comprehensive zoning plan. The Subdivision rules and regulations and few ordinances which we do have, are not enough to protect the town from careless unregulated development. Article 22 has been placed in the arrrant for an ordinance providing for the issuance of permits by the Board of Selectmen prior to the construction, erection or placing any structure intended for human habitation within the town.

The purpose of such an ordinance is to ensure that persons wishing to build on, or occupy a plot of land will be made aware of state and town regulations, relating to such construction or occupancy, BEFORE construction is started. The date of such a

permit is necessary if the Board is to be effective in assessing mobilehomes and trailers also. This date is a most important record if the town is to protect itself against future claims for support.

SCHOOLS

A formula study committee was set up by the Monadnock Regional School Board, to be made up of one selectman from each of the member towns. The purpose of this committee was to study the apportioning of school costs and to recommend to the School Board any change in the formula.

After much study and consideration various formulas and proposals, the committee voted to recommend to the School Board that the formula be changed to that of average daily membership and that this be placed on the school warrant to be voted upon at the annual school meeting.

This recommendation was turned down by the School Baord. It is expected that a petition will be presented to the School Board to have an article, incorporating the Average Daily Membership formula, presented to the School Board for inclusion in the warrant for the annual meeting.

The Board of Selectmen wish to thank all those who have given of their time to serve on the several committees that are so essential to the on going life of our town. The time spent in attending committee meetings is sometimes tiring but it is an opportunity to contribute to the civic life of the community and is a part of the local governing process.

Mrs. Helmi Tommila found it necessary to resign, as Town Treasurer, because of business reasons. The Board of Selectmen wish to extend its appreciation for her faithful service and cooperation, The Board also wish to make special mention of the most helpful cooperation of Representative Daley E. Whipple. His assistance in getting information from the state level back to the town and his willingness to intercede with town problems is very much appreciated by the Board of Selectmen.

Selectmen of Fitzwilliam

Ordinances Passed by Town

Adopted March 12, 1967

That no new dump or junk yard, including motor vehicles and/or machinery junk yards as defined in Chapters 267-267A of the New Hampshire Revised Statutes, for the storage or disposal of abandoned vehicles or parts thereof or for scrap iron, scrap paper, rags or discarded material of any kind, shall be established within the Town of Fitzwilliam.

"Any exception of this rule may be made only after approval by the Board of Selectmen, following an open hearing on the matter. Said hearing to be called by the Board of Selectmen within fourteen (14) days from the date of application for said exception."

Adopted March 12, 1967

"Any party or person constructing a water supply, digging a shallow well or drilling a well, for domestic or industrial use, within 100 feet of a public way shall first file a statement with the Town Clerk releasing the Town from any or all liability for pollution of such water supply or well, as the result of materials being used in construction or maintenance of public ways."

Adopted March 12, 1967

No building shall be erected, constructed or placed on a lot of land less than two acres in size, nor less than 50 feet from the edge of the traveled portion of any highway, nor less than 25 feet from a boundary line. A person convicted of violating any of the provisions of this ordinance shall be fined not more than $10.00 for each day such violation exists.

Adopted March 11, 1969

"No trailer park or mobile home park shall be established in the Town and no existing trailer park or mobile home park shall be enlarged except upon prior approval of such establishment or enlargement at a duly constituted Town Meeting: the terms "Trailer Park" and "Mobile Home Park" shall mean an area or tract of land upon which are located for residential purposes two or more mobile homes and/or trailers."

Adopted March 10, 1970

To see if the Town will authorize and empower the Planning Board to approve or disapprove, in its discretion, new subdivisions and plats thereof showing new streets, or the widening thereof, or parks, and upon adoption of this article, it shall be the duty of the Town Clerk to file with the Registrar of Deeds of the County of Cheshire a certificate or notice showing that said Planning Board has been so authorized, giving the date of such authorization, as provided in the New Hampshire Revised Statutes Annotated 36:19, and to issue all other certificates required by the New Hampshire Statues Annotated 36:20-29, inclusive.

Adopted March 11, 1971 Historical District. A permit is required to change the nature or extent of use of any structures or lot.

ROAD AGENT REPORT 1973

MAINTENANCE

The usual summer and winter work was done; sanding, cutting brush, and plowing. Culverts were replaced on the Laurel Lake road, Rhododendron Road, and Royalston Road, and the Gap Mountain Road.

The #4 Road near the causeway was filled and graded. Also, the road on Pleasant Street was repaired.

Extensive work was done to the drainage in the depot fire station area.

FIREWARDS REPORT 1973

The town has 35 volunteers that are dedicated to fire prevention, fire suppression, and being trained in doing this at their best.

Again, the Firewards wish to express our sincere thanks to the Police Department in providing excellent traffic control at fires and auto-rescue scenes.

The fire department will hopefully have by May 1, 1974 a rescue attack squad, to respond to auto-accidents and resuscitator calls. These people will have completed 81 hours of training through the State of New Hampshire Emergency Medical Technicians Ambulance Course.

Please take time and read the final report on the New Fire Station printed below. July 4, 1973 was dedication day of the New Fire Station. Even with inclement weather it was a successful event. The fire department hopes you enjoy the Annual Fireworks and Supper event, sponsored by the firefighters of Fitzwilliam. A special thanks to the extra help provided by the Meadowood Fire Department Ladies Auxiliary.

REPORT OF FIRE STATION COMMITTEE

This year marks the end of our construction project. The New Station is complete and was dedicated in gala fashion on July 4, 1973.

We are sure you al realize how much this structure has contributed to the efficiency of the Department and to the preservation of the Town Hall in providing an alternate site for town organizations and functions.

We wish to thank all the members of the Fire Department and the people of the town who donated courtless hours in making this project a reality. We also wish to thank the people of this town whose tax dollars made this possible.

Donations by the Firemen:

Fire Station	$7,498.11
Town Equipment	344.88
Outside donations	1,458.44

POLICE DEPARTMENT REPORT 1973

An active year, 1973 included a wide variety of infractions and crimes, many of which are listed below.

Traffic Violations -	161	Attempted Suicide -	1
DWI -	26	Alarms -	31
Control Drugs -	9	Burglaries -	21
Trespassing -	4	Missing Persons -	6
Assault -	4	Abandoned Vehicles -	16
Drunk -	4	Delinquent Children -	18
Crimnal -	7	Emergency Transports -	5
Firearms -	14	Animals -	11
Stolen Vehicles -	11	Larceny -	3
Hit & Run -	3	Domestic -	13
Accidents -	54	Hold-ups -	1
Dogs -	71	Snowmobiles -	13
Miscellaneous Complaints and activity -			101

We wish to thank personnel from neighboring departments for their assistance, as well as State Police and Cheshire County Sheriff Dept.

A total of 203 cases were brough to Jaffrey District Court, and 5 Juvenile Petitions were heard.

It should be growing apparent to the Town that the vast majority of crimes and complaints are taking place at those times in which there is no active Police duty. A part time department is presently growing obsolete for a burgeoning Town, particularly with our location and layout. New developments, businesses, and increasing population create a larger demand for Police services. In addition a Town Police cruiser, properly equipped is a priority, and should be given immediate consideration.

Personnel from our department have attended one day seminars at Vocational Schools conducted by the State, Criminal Justice courses at Keene State College and presently St. Anselms College in Manchester.

Photographic and evidence equipment purchased this year has contributed to bringing us more up-to-date in our investigation techniques, and has already proven its worth.

The mobile radar unit has, as many can attest, proven effective in reducing speed throughout the Town.

The co-operation and concern of residents is constantly solicited and has been appreciated in our work this past year.

Respectfully submitted,

Edwin E. Schimke, Chief

LIBRARIAN'S REPORT 1973

Despite crucial changes in the Library situation during 1973 continuation of services at the level of previous years has been our goal.

Miss Mabel Sturtevant retired as Assistant Librarian in charge of the Children's section at the end of June and Mrs. Louis Fletcher replaced her. Mrs. Fletcher conducted a summer reading program for both pre-schoolers and grade school children during July and August, and also continued our policy of taking books to shut-ins.

In mid-year the State of New Hampshire discontinued the book selection meetings which had previously been held bi-monthly and for the last six months the selection committee has had to make selections from reviews read. Since the committee is unable to actually view the books and some reviewer's evaluations are biased or unreliable, the resulting selections have not always satisfied the committee and we request tolerance for selections which do not seem worthy.

Circulation figures for the year totaled 7563 adult and junior books, magazines and renewals.

Four hundred thirty new books have been added to the library's collection through purchase and gift and have been catalogued. With the assistance of the New Hampshire State Consultant, Mrs. Natalie Wilbur, 150 books have been discarded.

There have been three visits of the New Hampshire Bookmobile and approximately 850 books have been borrowed and circulated. Also we have acquired 67 books on special request for people from the N.H. State Library at Concord.

The Friends of the Library continue to buy all adult fiction. Non-fiction and magazine subscriptions are obtained through income from the Trust Funds. And Children's fiction is acquired from fine money.

The town appropriation maintains the building and pays salaries. This year the Library Trustees have installed additional lighting in the stacks -- a great help to both Librarians and library users.

The Librarians attended the N.H. Library Council conference at Bedford, N.H. in May and a workshop on Public Library and School Library co-operation at Manchester, N.H. in October.

In celebration of National Library Week in April, Emerson School children furnished posters which were displayed in the Library throughout the week.

Respectfully submitted,

Mary W. Thompson, Librarian

RECREATION COMMISSION
REPORT FOR 1973

Directly after last year's town meeting this committee met with a representative of the N.H. Department of Resources and Economic Development to discuss our proposed request for matching funds from the Bureau of Outdoor Recreation. The necessary plans and information were gathered and by mid-April the proposal was written and submitted.

Before the project could be considered complete there had to be a legal agreement between the Monadnock Regional School District and the town of Fitzwilliam on the use of school property for such recreational purposes. This agreement was not completed until late fall of 1973. Since nothing could be done on school property until this became legal, the committee has been at a virutal standstill until this time.

The committee is now in process of gathering material for specifications on the ball field, the tennis courts and the recreational building to be submitted for bids for the summer of 1974. We are in need of people willing to work on subcommittees on any of the three projects. There is much work to be done, money to be carefully spent and good to come of the completed project.

SUMMER RECREATION COMMITTEE 1973

The summer program's best salesmen seem to be the youngsters themselves. This year the register showed 170 youngsters used the program sometime during the 8 week period and attendance sheets show that from 35-80 youngsters attended on a daily basis. Good fortune was with us once again with Mr. Beauregard returning for his 4th year as playground director, Mrs. Barge Ayers in charge of the arts & crafts program, and four teenagers working as assistants paid by the Neighborhood Youth Corps. This was capable and dedicated leadership which made the "playground" one of the best things that has happened to the youngsters in this town.

Activities for '73 included an industrious daily arts and crafts program, softball games, tennis lessons, gymnastics, a bicycle parade and hike, chess and checker tournaments, Red Cross swimming lessons, archery, a folk singing group, a mountain climb, trips to Keene State College Summer Theatre and Benson's Animal Farm, and a very successful Family Night Cookout.

Thanks go to many individuals who help the program, to the Fitzwilliam Inn for the use of the swimming facilities, to the Firemen's Auxiliary for the Benson's trip, to the Lions Club for their generous donation, to Mrs. Guidotti for the tennis lessons, and the Neighborhood Youth Corps for the teenage assistants.

Everyone is encouraged to read the Playground Weekly Newspaper during the summer to see just what is being provided. Interested persons of all ages are encouraged to come and see the activity or, better yet, come and participate. The enthusiasm is contagious.

Respectfully,

Lois Green

FITZWILLIAM PLANNING BOARD REPORT 1973

The past year was one of the most active in the history of the Planning Board--an indication not only of Fitzwilliam's growth but also of increasing concern about its direction.

One measure of a town's growth is real estate activity: In 1973 there were 95 property Transfers and 65 new lots created by Subdivision. The only "handles" Fitzwilliam has on its growth at present are subdivision procedures (supervised by the Planning Board), Historic District rules (for a portion of the Town), and the two-acre minimum lot size enacted a year ago.

> Clearly some sort of additional control is needed, and support for a zoning ordinance has been building. Important considerations include not just the appearance of our town but economic factors: How many people can Fitzwilliam's present tax structure support and service, whether it be in the school system, highway maintenance, or other town services?

During the year the Planning Board, working with a group of enthusiastic volunteers and with State Assistance, surveyed the entire town to "take its temperature" on a wide range of important subjects. Most residents were visited at least once, and participation was extremely high. Results pertaining to such areas as Recreation, Police, and Waste Disposal were passed along to the appropriate authorities. Results on Community Planning showed that 73% of the participants favored "Some sort" of zoning. This led to formation of a Zoning Study Committee that meets weekly. It is hoped that public hearings on a proposed zoning ordinance will start in March, and that it will be acted upon at a Special Town Meeting before summer.

During all of 1973 the Planning Board functioned under the leadership of Dudley P. Housman as chairman, but business pressures caused him to resign in January, 1974. The Board adopted the following resolution at its February meeting:

> "RESOLVED: That the Fitzwilliam Planning Board go on record in tribute to its former chairman Dudley P. Housman, for his years of faithful service and leadership during a period of growth and increased activity, particularly as related to increased Town acceptance of sound principles of planning and zoning. Be it further resolved that the Board solicits his contined interest and advice and welcomes him to any or all of its future meetings."

Two other resignations were also reluctantly accepted during the year--William H. Skarin and John Ilg--and the Town is also indebted to these men for their service. New members welcomed to

fill these vacancies were Jane Buss and Charles Short. Margo Haskell was recently named to fill the vacancy created by Mr. Housman's resignation, and the Board reorganized as follows: James H. Kennedy-Acting Chairman; Jane Buss-Recording Secretary; Margo Haskell-Corresponding Secretary. Continuing in active service are Fred Regan and John Tommila-six members in all, plus one of the Selectmen.

The Planning Board meets regularly on the first Monday of every month at the Town Hall at 7:30 PM. All meetings are open to the public. Special public hearings on specific matters are always announced in advance and are usually held that same eveing, at 8:00 PM.

1974 will be a critical year in Town Planning, and the Planning Board invites the comments and participation of all concerned citizens.

James H. Kennedy
Acting Chairman

STATE OF NEW HAMPSHIRE
DEPARTMENT OF REVENUE ADMINISTRATION
CONCORD, NEW HAMPSHIRE

Board of Selectmen
Fitzwilliam, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Fitzwilliam for the fiscal year ended December 31, 1973, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk for retention as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Village Precinct, Summer Recreation Program, Laurel Lake Development and Trustees of Trust Funds.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets-December 31, 1972 and December 31, 1973: (Exhibit A-1)

Comparatiave Balance Sheets, as of December 31, 1972 and December 31, 1973, are presented in Exhibit A-1. As indicated therein, the Current Surplus of the Town increased by $1,219.93, from $51, 906.23 to $53,126.16.

Analysis of Change in Current Financial Condition:(Exhibit A-2)

An analysis of the change in current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increases in Current Surplus:

Net Budget Surplus	$25,694.46	
Tax Collector's Excess Credits	33.97	
Reduction of Accts Owned By Town	49.92	
		$25,778.35

Decreases in Current Surplus:

Surplus Used To Reduce Tax Rate	$21,000.00	
Tax Deeds Issued	3,557.60	
Increase in Amount Due State of New Hampshire	.82	
		24,558.42
Net Increase in Current Surplus		$ 1,219.93

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1973, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of $16,719.66 plus a revenue surplus of $8,974.80, resulted in a net budget surplus of $25,694.46.

TREASURER

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1973, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1973, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 71-2, Section 21, require that

the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report of optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante
Director
DIVISION OF MUNICIPAL ACCOUNTING
DEPARTMENT OF REVENUE ADMINISTRATION

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Fitzwilliam for the fiscal year ended December 31, 1973.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing prodedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statement of sources of revenues and expenditures present fairly the financial position of the Town of Fitzwilliam at December 31, 1973, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles and applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Very truly yours,

Frederick E. Laplante
Director
